Fall 2015

Dear Friend of Taylor,

A few weeks ago we celebrated the (second!) retirement of Dr. Willy Muller. If you know Dr. Muller then you know what a remarkable servant of God he is, and we enjoyed a wonderful evening together.

We love to celebrate those who have made an impact in the Kingdom of God, especially those who have been brought to Taylor for study and preparation. Willy's example has been repeated thousands of times by alumni who have faithfully served across the US, Canada, and around the world. Taylor alumni fill pulpits and other leadership positions across the NAB Conference and in dozens of other church groups, on mission fields, in businesses and communities and in homes and families.

It is so interesting that God brought them to Taylor for a time of formation, and they in turn are having a significant impact back on us here at Taylor. As I said about Dr. Muller, he became what God wanted him to be through this institution and, in turn, Taylor is the institution it is because of the influence and leadership of Willy Muller and so many others like him.

One of the reasons we have celebrated Taylor's 75<sup>th</sup> Anniversary for a full year is that there are so many people with whom to celebrate! What is most important isn't our land, buildings, classrooms, or even our library, as important as all these things are. It is the people God has brought to Taylor and then taken into the world as faithful witnesses of the Gospel.

As a partner in ministry, you too have played a crucial role in what God has been doing here for 75 years. Through your faithfulness, you too have significantly impacted this institution and made us what we are. Thank you for that partnership through your prayers, your words of encouragement, your finances, and your wisdom. It is such a blessing to be in ministry together with you!

Shalom,

David Williams, PhD

P.S. I have not made it a practice to appeal directly for funds, but please know that you are welcome to be in touch any time with questions about our budget. We are accountable to you, our friends and partners, and we value every contribution, especially your prayers. Thank you!
